About Us

Microtrack Surgicals has been at the top position in the ophthalmic instrument manufacturing industry since 1999 by staying committed to quality production. We are the most reliable exporter, manufacturer and wholesaler of Side Port Blade, Medical Orthopaedic Screw, Sterilization Tray for Small Incision Blades, Ophthalmic Surgical Instruments, Surgical Blades, Medical Crescent Blade and other products. Our products are developed keeping users needs in view. All our items are quality marked after rigorous quality testing at our in-house quality inspection department. For supplying quality best products across the nation, we are maintaining a huge dealers network, who are devoted to retaining customers and delighting them in a professional manner.

We are a proud member of the famous EEPC INDIA and have been successfully participating in Exhibitions and Annual Conferences, arranged by Ophthalmic Societies (India and Abroad). With a view to cater needs of different companies, we are maintaining advanced production technologies for production of finest products to meet specific requirements of customers.
